MISSISSIPPI GEOSPATIAL CONFERENCE OCTOBER 17-18, 2013

THURSDAY

12:00 PM   *LUNCH/Registration*

12:30 PM   *Opening Remarks*
Jim Steil, et al

SESSION #1 - MOSTLY URBAN

1:00 PM   *Empowering First Responders with Mobile Maps from a GIS Professional's Perspective*
Scott Trapolino

1:20 PM   *Preventing Utility Damages*
Amanda Russell

1:40 PM   *Smart Growth and New Urbanism: The Implementation of Development Plans Eight Years after Hurricane Katrina on the Mississippi Gulf Coast.*
Heather Nicholson

2:00 PM   *An Integrated Approach to Geo-Target At-Risk Communities and Deploy Effective Crisis Communication Approaches*
Joslyn Zale

2:20 PM   *Statewide Addressing Effort*
Mike Miller

2:40 PM   *Coffee Break*

SESSION #2 - AS IT APPLIES

3:00 PM   *Combining Aquarius and MODIS Measurements to Assess Nearshore Salinity Levels in the Northern Gulf of Mexico*
Shelby Barrett, et. al

3:20 PM   *Utilizing NASA EOS to Aid the National Wildlife Federation in Analyzing Wetland Gain and Loss in Wetland Restoration Project Areas in Southeast Louisiana*
Ross Reahard and Allison Lanclos, et. al

3:40 PM   *Mississippi Pecans from the Cropland Data Layer*
Fred Shore

4:00 PM   *Using Spatial Analyst to Model Terrain for Digital Archival of Select Prehistoric Mississippi Archaeological Sites*
Emma Strong

4:20 PM   *Mapping of a Mississippi Coastal Cemetery Utilizing Geophysical Survey Techniques and GIS*
Carlton Anderson

4:40 PM   *And now a word from our sponsors*

AFTER HOURS

5:30 AM   *Off-site social event sponsored by Woolpert*

FRIDAY

8:20 AM   *Coffee & Pastries*

SESSION #3 - SHINY AND NEW

8:40 AM   *Mississippi LiDAR Acquisition 2011-2014*

Chris Chalmers and Chris Ogier

9:00 AM   *The USGS 3D Elevation Program (3DEP)*

George Heleine

9:20 AM   *Geospatial Ocean Energy Management and Environmental Enforcement*

Kevin Schultz

9:40 AM   *Landuse of the Southern 3 Counties of Mississippi*

David Holt

10:00 AM   *Coffee Break*

SESSION #4 - ONLINE

10:20 AM   *Creating a Data Clearinghouse with Limited Resources Using ArcGIS Online and Commercial Webhosting*

Gary Hennington

10:40 AM   *Harrison County Geographic Information Systems Coalition (HCGISC)*

Paul Barnes

11:00 AM   *WordPress and ArcGIS Online: Developing a Plugin for Accessing AGOL from WordPress*

David Hansen

11:20 AM   *LOIS – A Lady Opening Doors to Mississippi*

Bob Lord

11:40 AM   *Final Remarks*

Jim Steil

11:45 AM   *Close*

POSTER SUBMISSIONS

Fire Department GIS Routing in a Small City

Brennan Collins

Vegetative Study of Ecological Communities on Horn Island Using Remote Sensing

Robert Gruba
